AZURE DOMESTIC PRESSURE BOOSTING, IRRIGATION AND DRAINAGE PUMPS

AJ37 – Jet Pump with Pressure Control
100536087

AJ60 – Jet Pump with Pressure Control
100536086

AM75 – Multistage Pump with Pressure Control
100536085

AS33 – Submersible Sump Pump
100536089

AJ37

Jet Pump with Pressure Control

The AZURE range of jet pumps are suitable for domestic household water supply such as pressure boosting from water tanks, or for garden and irrigation requirements in both flooded suction and suction lift applications.

The AJ37 is a great entry level automatic pressure system.

Product Features

- Pressure boosting system for gardens and small houses
- Improves tank pressure
- Suitable for suction lift or flooded suction application
- Features loss of prime protection
- 2 year warranty

AJ60

Jet Pump with Pressure Control

The AZURE range of jet pumps are suitable for domestic household water supply such as pressure boosting from water tanks, or for garden and irrigation requirements in both flooded suction and suction lift applications.

AJ60 is an ideal automatic pressure system for larger gardens or homes where the water source requires a suction lift.

Product Features

- Pressure boosting system for gardens and larger houses
- Improves tank pressure
- Suitable for suction lift or flooded suction application
- Features loss of prime protection
- 2 year warranty

AM75

Multistage Pumps with Pressure Control

The AZURE AM75 multistage automatic pressure system is ideal for medium and larger boosting applications from rainwater tanks. The AM75 is also suited to boosting low pressure mains supply (subject to local regulations).

Product Features

- Pressure boosting system for gardens and medium to larger applications
- Improves mains/tank pressure
- Suitable for flooded suction application
- Features loss of prime protection
- 2 year warranty

AS33

Submersible Sump Pump

The AZURE range of submersible sump pumps are suitable for pumping small soft solids (up to 18mm max.) in fluid suspension.

Product Features

- Domestic sump pump
- Designed to pump clean and wastewater
- Submersible up to 5 metres
- 2 year warranty
